I am a Programmer and Designer by origin, and a Creative Director, Producer, and Project Manager by experience. I bring a proven expertise in creative strategy, vision, communication, and management with an emphasis on small business and automotive brands.

### SKILLS

I've worked solo and on teams and my contributions to the creative process have changed over time - I've been both the button-clicker and button-planner. At the moment I am focused on finding clients or teams that dream big.

**CREATIVE STRATEGY** Define the challenge - then utilize a combination of research, client input, artistic collaboration, iteration and result analysis to win and repeat.

**MANAGEMENT** A decade+ of experience working with teams of diverse personalities in deadline driven environments, maintaining the needs of other creatives to help them put out their best and most effective work possible.

**SOFTWARE** Mac OS, Windows, Adobe Creative Suite, Adobe Acrobat Professional, Microsoft Office, Flash, Keynote, PowerPoint, HTML, JavaScript, CSS, PHP, WordPress.
